MEMO

Date: May 7, 2015
To: Commissioners Court
From: Tracy Homfeld, P.E., Assistant Director of Engineering
Subject: Request Approval to accept Autumn Trail, a road within the Honey Creek Farms Addition, replat of Lot 3 and Lot 4 Final Plat, for county maintenance

The re-plat for the above mentioned subdivision was approved by court on May 5th, 2009. The infrastructure was completed according to current county specifications and inspected by County Engineering and Public Works staff. The infrastructure entered into a 2-year maintenance period on June 25, 2012. The maintenance period is complete and the owner has completed the required repairs as requested by County Engineering and Public Works staff. Once approved, Public Works will place this road on their maintenance lists.

We request Commissioner Court consideration of Approval to accept Autumn Trail for further County Maintenance.
